2019 Golf League at Longbow Golf Club

We are excited to begin another year. Our goal is to create a fun, friendly and competitive environment in which golfers of all abilities can compete.

Membership Fees for 2019

Golf League membership fees for 2019 are \$145.00 thru December 31, 2018; starting January 1, 2019 the membership fee will increase to \$150. Membership fees are placed into the Golf League holding account and will be used for participation in the Arizona Golf Association (AGA) handicap system, golf genius, prize funds, special events and other operational costs that may arise throughout the year. In addition to the golf league membership fees, each golf league member must purchase a 2019 Longbow Flight Card. The cost of the Flight Card is as follows:

\$225.00 12/1/18 thru 01/05/18
\$250.00 1/06/19 thru 12/31/19

Tournament Information

The Golf League has on average two tournaments per month. Formats for the tournaments vary. A final schedule of 2019 tournaments and fees will be available soon. Tournament entry fee is \$20 per person which is applied to the prize fund. In addition, each entrant shall pay the posted green fee which will be shown on the 2018 Golf League Tournament schedule. The Golf League Championship will be held in September 2019 and will be a two-day tournament. Golf League members must participate in at least five (5) individual scoring tournament events prior to the League Championship.

Scoring: The Golf League will be using the Arizona Golf Association GHIN system to determine tournament handicaps.

Signup Policy: Deadline for tournament entry is 5:00 p.m. on the Wednesday prior to the tournament start date. Signups will only be accepted thru Golf Genius. Each Golf League member will receive an email from Longbow prior to each tournament and will be able to respond directly from the email as to whether they will be participating in the upcoming tournament.

Tee Time/Pairing Policy: All tee times and hole assignments (shotgun starts) will be determined by the tournament director and/or Longbow staff members. Golf League members may request to play with one other member only.

Tournament Results: Tournament results, including skin results, will be posted no later than the Tuesday following the tournament. However, since the Golf League is utilizing the Golf Genius App for real time scoring at each event, results will likely be known on the day of the event.

Tournament Tees: Beginning with the first tournament in 2019, all Golf League members will be playing from the green tees. The one exception is for female members of the Golf League. Female members may play from either the white or the red tees.

Tournament Flights/Payouts: The number of flights and the amount of payouts will be determined based upon the number of entrants in each tournament.

Skins: Most Golf League tournaments will offer an *optional* skins game costing \$20.00 per tournament. Skin money is divided evenly between gross and net skins.

Friday Night Skins

Most Friday afternoons, the Golf League hosts a skins game competition (9 holes of competition) open to all Golf League members in good standing. In order to participate in the Friday Night Skins games, a member must participate in at least one tournament each quarter. Additionally, each member will play from the green tees during the skins games. In the Friday night skins games, no participant will be allowed in excess of 1 handicap stroke per hole. Players will establish their playing groups themselves. Starting time on Fridays will be between 3:00 p.m. and 4:00 p.m. depending on the time of year.
