Volunteer Job Descriptions:

Job availability may differ with each event

Ecology: Ecology volunteers are responsible for re-stocking coolers, maintaining receptacles, and preserving the cleanliness of the golf course.

Guest Starter: The Guest Starter announces players on the 1st or 10th tee, dispenses scorecards, and gives last minute information to players.

Main Gate: Main Gate volunteers greet spectators, dispense tickets, and manage will call.

Parking/Gate Attendant: Parking volunteer's direct players, volunteers, and spectators to designated parking areas, monitor parking lots as they become full and redirect traffic as appropriate, and check parking passes.

Player Shuttle Driver: Player Shuttle Drivers are responsible for driving players from green to tee at strategic locations on the golf course as determined by the event. They are also responsible for bringing players from the parking lot to the course.

Pre/Post-Tournament Activities (Set-up/Breakdown): These volunteers assist tournament staff with mailings, goody bag stuffing, follow up phone calls, area deliveries and pick-ups, office work, and signage/construction etc. Volunteers are scheduled as needed. We will try to provide a minimum notice of 48 hours for any volunteer assignments prior to tournament week.

Real Time Scoring Computer Operator: The Real Time Scoring Computer Operator enters the scores and statistics that have been reported by the Radio Operator (described below). The data collected is entered in a PDA or laptop computer. This position requires dexterity and basic computer knowledge.

Real-Time Scoring Radio Operator: The Real-time Scoring Radio Operator answers radio calls from the Cart Driver who is following each group on the course. The Cart Driver provides the scores and statistics for each player after every hole to the Radio Operator. The Radio Operator records this information on a form provided by the event and uploads to internet via a computer provided by the event.

Scoreboard & Leaderboards: Scoreboard volunteers receive scores via PDA (provided by the event) and verified scorecards from the Tour staff and post those scores on the scoreboard. Leaderboard volunteers receive scores via a PDA and continually update the Main or On-Course Leaderboards with the information provided by the PDA.

Spotters: Spotters act as "forecaddies" or "advance scouts" by assisting the professionals in locating wayward golf shots. Stationed near a fairway or green, spotters watch each shot and help locate a ball in situations where the player may not have a clear view of the ball's final resting position.

Volunteer Services: These volunteers greet and register other volunteers, provide general information, and assist with shuttling volunteers to/from their assigned area.
